

WORLD WALKING DAY

4 October 2020

How to register?

We encourage you to visit the TAFISA website to register and download your participant pack, including a baton template and a how-to video for the baton passing. You can still take part without registering but we won't be able to update you with news, and you won't be counted as an official participant in the world's most accessible and inclusive relay.

Please tag us too and send pictures and videos to us through:
